

## Nostradamus-III

### III 1

At nearing of naval combat and battle ,  
The great goddess of irrational thought in his high belfry,  
The fury opponents from fear will be pale,  
Putting the irrational thought dependents in dread.

### III 2

The divine verb will be puissant from influence of essence of the meaning,  
Comprise of signified plan, righteous arranged signs, occult precious matter to  
mystic deed,  
Designed plan, essence, sprit (of divine verb) will have all of puissance,  
So it will be like heaven siege for his outshine and precession.

### III 3

Deity of the war and deity of messengering and an indication of something that  
has been presented heraldically, joint ensemble.  
Toward presenting of Extreme fruitlessness,  
From fond of Asia they compose to tremble the figuration of ornate signs,  
In this time, the mass of bread , overseer are in perplexity.

### III 4

When the lunar dependents are nearing to default,  
There the greatly, not makes the remote in manner from one to another,  
Coldness, fruitlessness, danger toward the topic with undeveloped field of study  
with inviting research and development,  
Like, it is where the oracle is set in to commencement.

### III 5

At nearing of the far default of two great luminaries,  
Somewhat arise in beauty and war,  
Oh! What dearly! But two great debonnaire,  
Through figuration of right signs round together and irrational thought will  
rescue all parts.

### III 6

The lightning will enter in closed temples,  
The dependents to the rule of destination in their fort are burdened,  
The wave of Imaginary, resemblance in research, amending (by the god word),  
will touch them,  
Through hunger and abjectness personality under force of making more  
lamentable.

### III 7

The fugitive denote and point from signified plan over the piques,  
The next conflict in the way is sabotage of strange language,  
From forming ornate signs they compose for requesting help from sky,  
When near the wall they will inter to combat,

### III 8

The adapted templates (word of the god) join to their compeers,

The evacuated ones will come near of the people of the sun.

Groups aggrandize the invisible one (the sun-Antichrist) and are exploited,  
productive, stickler,

They will be set in leagues and they will set up campaigns.

### III 9

Mud, flow and rest join,

Will hold surround of great irrational thought,

Those who scheme, dependents to paint, and priests conjoin,

They will push out until nearing to strength and hope.

### III 10

Greater calamity from essence of paint and hunger,

Combat (with Antichrist) by improving inner meaning (of divine verb) will be  
prepared in bed of flow of irrational belief,

Monkish because of hunger, adopts the field of captivity,

The great conducted man, the bite of infernal cage.

### III 11

Long season of the army batter about the signified plan,

The quarrel is fallen in environment of rule of the destination game,

Ragtag, gnaw, alignment in face of sever darkness,

when the monarch surrenders to darkness.

### III 12

Through the cancer of gossips marks and trembling of love,  
And through of proofing of thoroughly good and victorious,  
The two great chiefs and the stone river of rules of the game,  
Adopting, deaths, drowning, departing for human ravish.

### III 13

By lightning on the measure that is provided by comparing, the heraldic golden  
mark and indicative heraldic cases will be melt,  
One of two captured one, will quarrel the another one,  
More extended by the rule of destination game,  
When the submerged ship will be floated.

### III 14

Through the domain of gallant personage,  
The right and frank subject considers Weak and inanition because it provide  
infelicity (in opinion of people),  
Honors, wealth, (only)will work in his old age,  
For having belief of aggregation of nice people.

### III 15

Heart, potency, glory, the realm will change,  
From all of the points, his adversaries will be against him,  
When the right and fairy fruit will be subjugated by death,  
The big regent then will be bigger opponent.

### III 16

The prince with angularity (with Antichrist rule of destination) , the war deity in his signified gossips plan,

He wants because of continuous pursuit (pursuit Antichrist with research in holly books) , his fortune grows stronger ,

From two duel, the one pierce the wisdom way,

Detested by him, well loved by his intended one.

### III 17

The glow of Aventine template in adjusting of meaning to social subjects figuration will be seen,

The identified plan will be instantly obscure for people who are wander about plain plan,

When the monarch pursuit his news,

The church groups will commit scandals.

### III 18

After the rain of words for important duty not its prize , so long,

In several dominant part the identified plan will be understood,

Oh, what the conflict because of color near them is going to be prepared,

Producers and nice products, dominants, have not courage to approach.

III 19

In gossip field, the color and pure earthshaking deed come for raining,  
A little before changing the praetor,  
Great sarcasm and guerre, hunger and abjection essence set up the view,  
Far from where the prince and the religious leader will die.

III 20

By the methods of assembling of great flow,  
Far from amending interpretation of kingdom,  
Push away the freezing by Mohammed's groups,  
One who believes the fairy rule of the game will betray to contradict.

III 21

Toward cancer producing by dark irrational thought,  
Reveals a horrible hover around hunt,  
From face of human and conclusion irrational sense,  
Who will take himself out of the hook.

### III 22

The denote of buggery invading under rules of the game is assumed,

Delivered one will be forceful and harsh combat,

The field of obtaining the right (contain three innocents) they will rendered it to justice word, and will excuse them.

He remains in sign and point (lordship) and from color will thoroughly be measured.

### III 23

Honest and Frankly man, if you pass another side of leaguings irrational comprehending environment,

You will find yourself enclosed in gossips and irrational comprehending,

Opposed to Mohammed more than the dark irrational comprehending,

You will gnaw the magnitude of imagines and bright concept veins.

### III 24

About their enterprise, there is a great confusion,

Squandering by groups the treasure that is innumerable,

You have not to do tension yet more,

Frankly honest man, do base on my told that must be recordable.

III 25

Who plainly will attain to kingdom (the Christ kingdom)?

When the field of harvesting the rapidly grown fruits and new rules of prize  
join,

Polychrome signs splice for many times by robbers will be taken,

For one who will be conjoined from too much of sun obedient.

III 26

The kings and princes will dress simulacrum,

Bunkum augurs, slaves of rascality for being a beautiful person,

The Gilt victim horn, and the azure odors,

The interpretations are explicit.

III 27

Loving prince puissant in unaccustomed language,

French language from Arabic will be so kindled,

Knowledge of letters will make condescending,

The Arabic language in translating the French.

III 28

Thought the arrange of figurative signs of weakness and poorness of parents,  
Through the bout and peace time will attain in the empire,  
Long time rule of a young female,  
What in realm once can't happen to one worse than it.

III 29

The two non-conservative on divers field nourish,  
Irrational sustaining war, ornate figuration of the golden signs will done,  
Coming mounting so high of hardening,  
That succumb to revenge of the injured enemies.

III 30

The one who is in shining and aligning of signs in warlike deed,  
Will have carried greater than what himself adopted it,  
From attached concepts in bed of buggery, for people will be the sting,  
They sudden will be surprised, bare without harness.

### III 31

Toward the camp of the Iranian Kurd and Turk, The Arab, and the Armenia,  
The great copy of inhibiting, three time will be assembled,  
Near of reaching the flow of the words of leading,  
Will fall to great Soliman signs figuration.

### III 32

The big sepulcher from the people who depend on essence of concepts and  
senses,  
Will approach with the essence of meaning,  
When the war deity near the quince will be thoroughly coordinated,  
And toward territory of cloak groups.

### III 33

The rule of the prize of the destination, where the wolf inters,  
Completely near there they will be enemies,  
Will spoil the copy of great strange countries,  
The friends will pass cause of templates and highness.

### III 34

When it is the time of being the default of sun (Antichrist) ,  
Over the full coordinate denote, the monster will be seen,  
All will be interpreted otherwise by them,  
Expensiveness has not guard, null it will be fulfilled.

### III 35

From more profound of west of the Europe,  
From poor people will born a fresh infant belong to youth times,  
What by its language will seduce great troop,  
His bruit in east realm will grow more.

### III 36

Buried apoplectic one has not died,  
Will be found call forth her donated gracefulness,  
When the rule of the game of destination will damn the heretic one,  
Who that seemed their laws by this coordinated denote (word of the god) will be changed).

### III 37

Front of the assault of orison it is pronounced,

Base of Middle plain of alternative plan (new meaning of the god word) they  
ambush to deceive,

The ancient wall by comparing model under pressure will be sunk,

Through the signs and the paint to mercy receives only littleness.

### III 38

The people depending to fishing and strange method,

Around the deaths template, adopting and profuse,

Making contraire reputation and closing to vintage,

By the Seigneurs in accord, writing.

:Commented [nh1]

### III 39

In obtaining the right, the different meaning of equivocal letter will be agreed ,

For subjugation of the of ready for battle head,

But the tempest and Coward because of bequeath,

Ruins the profit in subjects.

III 40

The great theatre comes to redressing,  
The dice thrown and the nets is spreaded,  
Too much of the premiers are tiered from death knell,  
By measures in compare, long time prostrating will break.

III 41

The eagerness – jollification sense will be elected by the advice,  
More hideous monster in well figured signs has not been seen,  
At a kick it flies to puncture the sight of religious leadership,  
The traitor to king for received fidelity.

III 42

The enfant will be born in two formed image in completely providing,  
Sincere worth by the rain will fallen,  
A few year later there is no another method nor sense and concept,  
For making kaput those who are frustrated from eager.

### III 43

Gens of environs from proofing of blessed one, in costume way severely oppose, and the stony river,

Guarding the model of highness to pass it,

Your relative's tomb is near the rudder and bracket for movement of materials to upper stages,

The black crispy hair setup the corpuses as a sign of victory.

### III 44

When the animals in the form of domestic humans,

After the great pain and with a jumping will come to speaking,

The lightning toward virginal meaning (word of the god) will be so malefic,

It is adopted from figured signs (in the case of speaking about the god words) and in the case of speaking surmise it is suspended.

The air = havaae هواء in the Arabic = suspiciously -----

### III 45

The discrimination of destination inter the temple by strange manner,

Their paint color comes to desecrate the holy signs figuration,

Toward those who depend on religious leadership it will be last inconvenient example,

From one who come to wipe out the laws.

III 46

The identified plan (concealed secularism) our omen,  
By bright badge and by distinguished fixing,  
Who from his suddenly change approaches to his bright fleck.  
Before for his goodness now for their hex.

III 47

The old monarch is took off from his realm,  
Toward revealing (the word of the god) his help goes fetch,  
For fear from crossing he will bend his sign-board,  
Will pass away inside gossips fortress by gates and by figuration of good signs.

III 48

Conjoining of the lies and the gossips too much attach to captives,  
For the half murder, donation is large,  
The hope will approach promptly,  
But not so soon that cause the discriminative death.

III 49

The realm of fishing rode you will be changed,  
In a stagnate lieu the empire will be translated,  
In the other laws and manners it will be governed,  
The Wheel of market and obedient to divination, you will make completely worse.

III 50

The republic of great rule of destination,  
Has great severity don't want to consent,  
The king going out through trumpet of rule of the game,  
The scale on the knowledge of the rules of the destination game makes repentance

III 51

The ship base of force wings conjures a great murder commit,  
The wolf reaches him to full effect,  
Those who are depended to shining want to remit their chief,  
Directors, fools, scheme men do their great forfeit.

### III 52

In the campaign 37years and 131days, era 37 years and 131day ,i long raining,

And in the get dirty 37 years and 131days,i great dryness,

Gracious and mercy senses shows the substituted matter will do mal accomplished,

By dominated one will put in extremity,

### III 53

When the greatest one will adopt from the datum (of word of the god)

From identification the model, from purging, and those who are heraldic support,

By born antecede first the honest chief rework.

Penetrate through the monks until the tempest.

### III 54

One of the greatest will flee from obedient of the sun,

What in long raining after comes to sign,

Passing the copying through highness models,

Devastate all and then in peace reign.

III 55

In the year that a frankly view will reign,  
The lies will be a completely unfortunate trouble,  
The great one from wolf field will kill his friend,  
The realm is set in mal and double doubt.

III 56

Module of shining, sanctuary, mixture and first deviation,  
Sting, thunder, and proofing the wright to end of war deity,  
From bridge for dominancy of ship of force, the heaven color module,  
Then append of buggery and discrimination of right by superstition in field of  
lies and gossip.

III 57

Painting people1 you see changing to bitterly lies and gossips,  
Taints with color in two appending very extended bright fleck,  
Frankly man, no point by supporting thoroughly nice life,  
Sheep doubts to his bending and his slaving of tableau (lies tableau)

III 58

About running the secret signified modules,  
Will born a great one from gens that has come very late,  
One who will defend stinky and swamp people,  
What he did not know that it will become converted .

III 59

Barbarian Empire usurped by discrimination of wright (by the king),  
The most part of his color set in the death,  
By senile death, by himself, the inhibiting and returning is stamped,  
For fear that, the color by the color will be in death.

III 60

By all of the Asia great proscription,  
Same in those who bet on destination, bringers of freedom and those who  
depend to deity of lawgiver,  
By the absolution of the color poured,  
From a youth secret thought full of felony.

III 61

The great band and sect freezing,  
Will be dressed in between rivers,  
From nearing the brightness, complain lightly,  
Somewhat so law hold for enemy.

III 62

Near of the fishing net deity through irrational prank cognation will not finish,  
Will come to pierce the great silent signs modules,  
The gracefulness is lesser, and its gloss analyzing,  
To carcasses, conduct his leading.

III 63

Potency of evoke the love will be all low,  
His great neighbor (Antichrist) imitate his vestiges,  
Occult hate into debaters and non-debaters,  
Their follies case they like Buffoons retard him.

III 64

The chief of the Iran will fill great alliance of Hannibal panic war,  
The war ship of we are the victors, against gent Muslims,  
From Iran and Iraq and the encircling supporters,  
Repos long times to chapter of great simple unique decoration.

III 65

When the monument of great love evoker is find,  
The coordinate denote after it will be elected the bridge maker to the god,  
From senate conflicts it will not be attested,  
His color will be imprison to sacred scyphus.

III 66

The great bailiff of who that will be the golden one will be set in the death,  
Will be done by one of the blood vindictive,  
From merit death will not die not by force,  
For the precede and gracefulness he did badly to captive.

III 67

A new group of philosophers,  
They Contempt the death, golden heraldic, honor and richness,  
The modules thoroughly good will be boundary,  
To the following, they will have supports and presses.

III 68

The people of obedience of the sun (antichrist) and signs without a chief,  
Death profiling inside Dearing the trap,  
Conductive duct of them deceive them by light folly,  
All swim through color template.

III 69

Great exercise conducted to youngish (sketch),  
Come to render to gracefulness of the enemies,  
But the old (sketch) is born because of sidelong glance,  
The blanket and kneading will be the friends,

III 70

The great painting cognition one will understand the well figured signs that  
presented with a bias,  
By the essence of meaning come so puissance for inundating,  
The new great league will combat them,  
Somewhat against them, it will come to bend them.

III 71

Those who are inside of isles, are besieged for long time,  
They will take the vigor force against the enemies,  
Those who are outside have deaths of hunger profligately,  
In greatest hunger that never set in.

III 72

The good old man totally is enshroud,  
Near the great brightness by the suspicion of being in the mistake,  
The novel old man ennobling from richness,  
Taken in the way of all of heraldic coated mark as ransom.

III 73

When in the realm will reach to crippling,  
Competitor will have a nearing to misleading appearance,  
He and the realm will come to mangy,  
That what elder he hails his fact will be late.

III 74

New rule of award, blossoming, earthenware decorated with opaque colored glazes and immolate (killing as sprite of sacrificing),

They will be in terms such would annoy.

What for pleasing them unfortunately null,

It is obvious that they have mockery to their chief.

III 75

Pau, true image, wining, king majestic,

From long signs alignment, habituate to color will be ripe,

Sting so great will come from great knotting (signs of the word of the god),

The helps at nearing and totally far from remedy.

III 76

In making thoroughly good, will be born different sects,

They will approach force to fortune paganism,

The heart is captive and a little receipts,

They will return to paying (for relief) to reality as deism.

### III 77

The discrimination of right by habituate to new meaning (of god word) under teaching of the person who is the victim of ridicules, is realized and is understood,

The worthwhile word in the bright fleck of compiling the chains of another different meaning of the equivocal word accompanied by ridicules and lies, Those of extraction (the signs of magic destination) will adopt the king of Iran, Conflict, death, wasting, to the freezing among great Opprobrium.

### III 78

The chief of exposing the inner meaning, with buggery with all people, Among groups of captives in lucid irrational thought.

Will traverse from the pillars of inhibitor of Hercules pollination (knowledge) and obedient of the sun (Antichrist),

Present in Iran toward new fearful king.

### III 79

The fatal order without end by chains,

Will come to turn by consequent order,

From the way of sidelong glance will be broken,

The rule of the destination game take the enemies as it is and as it is.

III 80

Undignified will be took off from angular translating realm,  
Recommend, by ire is set in the point and denote,  
His relatives will go so low from striking down,  
What the misleading appearance will be demi received.

III 81

The great garish shameless audacious,  
Will be governor of the army,  
Boldness of his struggle,  
The broken bridge, rules of the game of destination from fear is flaccid.

III 82

Brake, anti-glass, rounding ignorance of fame,  
Will be widely puissant, by irrational concept and among decorated figured  
signs,  
The decorated figured signs, irrational concept, and the favorable wind, are the  
mobile transporters  
Adoption, deaths, kitting, pilling, without law of guerre.

III 83

The people of stone chisel for fishing by rode by long past sense and cognition,  
Accompanied from strange nations,  
Will put in captivate the gent dependent to senses and cognation,  
For succumbing to their intentions.

III 84

The great rule of the game of a destination totally desolated,  
From the habitants even one not stay,  
Wall, sex, temple, and virginity is violated,  
By alignment, sign and denote. Sting, calibrating under rule , the people will  
die.

III 85

The award of rule of the game of destination is taken by deceive and fraud,  
By the medium from a beautiful young is grapple,  
The assault is given, stealing near the laude,  
He and all die, for having total deceived.

III 86

A chief of magnification toward obedience of sun (antichrist) looks suit for them,

By irrational senses arrest in harboring,

Before his death, a long time has a desire for something or someone who is not present

After his death, he see the great marvel.

III 87

Class depend to fishing by the rode don't approach to make your story by corpus,

You will be repent no less than broom,

All of you will die, frustrated from aid of grumble,

Will be captive, in paint color swimming, you do not believe me.

III 88

Such great army from the ship of cause to extension among irrational cognation,

All of people from harboring it tremble from fear,

The isles are clutched; getting help from irrational senses is closed,

Your traitorous will be immersed in decorative arranged signs.

III 89

In this time, there magnanimity noble man will be frustrated,  
From his help to those who depend to irrational senses waves and banners,  
Killing the olds, but by trunk and elevator,  
Seduce their king, the queen is more outraged.

III 90

The semi divinity of wildness and wine and ridicules and sex with the mortal  
women, and a cruel from Guilan (north of Iran),  
Talent to presenting to dependents of irrational cognation,  
A chief of the class Carman will set out.  
Who will adopt the decorative figured signs toward tyrant sidelong glance.

III 91

The tree that for long time died from dryness,  
In one attaching means to environment, events will be green again,  
Chronic king sickness, prince preceding is tied,  
Ire and painful sense from enemies veils bonding,

III 92

The worthless measurement (destination obtained by antichrist) approaches to last period,

Base of seeding still tardy to return,

The empire translate to embroidered style,

The point view to a nice story is hard and constricted by surrounds.

III 93

In to blend all, the chief of empire,

The premier (translation) because their will for arranging ship of force by them desolated,

Textural will is hold in Hannibal like ire.

The moon bad consoled about changes.

III 94

From discrimination of bright fleck chaining more counting, he will get,

The one that was the ornament fo his time.

After that in in instant the donation of clarity will done,

The one who among his course will render them full contents.

III 95

The intricate tracery law (god word) seen to be fail,  
After another very much more seductive,  
Premier literal and science article will come to fail,  
By gifts and languages plus attractive.

III 96

Chief of adjunct to (holy book) will have an excision and exploring,  
Through the conductive of blood hound and laurel(sign of honor),  
The deed is parried to those in module of trapping ,  
Base of seeding in domination to purification against vain magical  
discrimination of right.

III 97

The new law occupy new decorated arranged signs,  
Toward the Syria, Israel, and Palestine,  
The great barbaric empire to corrupt,  
Until each of the aspects of the moon, to his cycle determine.

III 98

Two kings (moon and sun) for searching their goal so forceful combat,  
In the essence of concept, the guerre will be so mortal,  
That everyone will occupy everywhere as fortified place,  
Their great quarrel will be the realm and life.

III 99

Toward the camp of alien and of sweet spare,  
From module of Deceive the opponent with a lob near to durance,  
Camp of including two parts by conflict will be so acrimonious,  
Between two brightness flows will fail about frankly one.

III 100

Inter of the people who depend to fishing by the hook the last one honored,  
The enemy of the human will be victorious,  
The force and decorated signs, at the same moment is explored  
The trait instantly, when will die the jealous.
