

The invisible existence

- 1- Say it is hinted me secretly that listened some people about the invisible existence and they purported that this is a strange Quran,
- 2- It conducts to awakens and we believed it and don't share anyone with the god in obedience,
- 3- And that let's get serious our uprising so he (the invisible existence) not to had server friend and not to bear(what he wants to bear and be as the god).
- 4- And that some who that had been injudicious and unrested by us ,had told an irrelevant told about the god,{ok comes from the god},
- 5- And we were thinking that the man and the invisible existence don't tell lie about the god,
- 6- And truly the absentminded people quartered to magnify of invisible existence and this exceeded his orders to reluctance things,
- 7- They thought like you thought that the god don't evoke one person,
- 8- And truly we understood something about signified plan(the work of Christ) and found it is fully safeguarded and transformed in nature(by Satan or antichrist)
- 9- And we were sitting and waiting for listening to it then everybody who heard it find for it an instant transformation in position of vigilance and competition ,
- 10- And truly we don't know does he will the evil for who is on the earth or their god wills for them awaken,
- 11- And truly some of us are righteous and some of us are different of them , we are in separated ways,
- 12- And we estimate that we can't make disability for the god by making the ornate signs and we can't make disability for the god by escaping.
- 13- And we believed to him when we understood the conduction . then who believed to his god then he don't afraid of being low or be accused to Odious subject,

- 14- And some of us have integrity belief and some of us are depended to quota . then who has integrity belief is from those who select the way of knowledge and awaken .
- 15- And but dependent to quota , they are supplies of forbidding environment.
- 16- And if they persist on the way surely we will drink them the favorite essence of the concept.
- 17- for testing them and who shirk from our mention we lead him habitually to disagreeable torture.
- 18- And that the authority of being the place of fascination , only belong to the god ,then don't call upon in supplication another one together the god.
- 19- And so when our obedient did arise to call upon him in supplication they neared to figure against him massively.
- 20- Say truly I call upon my god in supplication and don't share for him another one,
- 21- Say I don't possess for you no damage no awaken,
- 22- Say truly nobody can make me contemptible and lowly from my going in way of god and I don't find any shelter direction except him,
- 23- Unless announcement to people and doing his messengering and They who transgress from god and his messenger thus there is for them signs and denotes of forbidding environment forever.
- 24- When they saw what they were promised to it then they will know who has weak helper and be counted as lowly,
- 25- Say I don't know what you promised to it is near or my god extend its time,
- 26- Wise to the latent and anyone knows his knowledge about latent,
- 27- Except the messengers that he is satisfied to know and they figure the design by items that they prefer to show good and bad.
- 28- For knowing that they truly do their messengering of the their god and the people understood what is near them and recount every thing .
