

- 1- Count distance the identify signs of your superior god,
- 2- Who which created, then equaled it,
- 3- And who which installed the measurement and conducted,
- 4- And who which codified the observance,{the religions customs}
- 5- Then made it implausible that is possessed {by excellent new meaning} ,
- 6- We will put align and bright it for you, then you won't forget it,
- 7- Except what wants the god. Truly he knows the openly and hidden things,
- 8- And we will make easiness for you to fluent,
- 9- Then you mention it , if the mention has benefice for you,
- 10- Who is afraid will be reminded it,
- 11- And the misery people will avoid of it(from your mention).
- 12- Whom soon ,will angle a great sign of point,
- 13- Then he won't die in it but not be alive,
- 14- Truly will reach the victory and freedom who amended and made
good looking (of holy books and stories),
- 15- And reminded his god sign of Identification {the god gives it in holy
books about all things} and made adjustment (of the truth)
- 16- But they follow the trace of being alive in worthless measurement,
- 17- and another true measurement is better and lasting,
- 18- truly this is in the compiles of these people you see,
- 19- the compiles of the man who is like needle to charming and the man
who is base of model.
