

happening at due time

- 1-And when happening at due time passed away,
- 2-Your along speaker was not lost of truth and was not seduced,
- 3-And do not speak base on his fancy,
- 4-It is not unless the secrets evoke from the god that evoked him,
- 5-Afectted him with puissance,
- 6-He was intellectual, the adjust it,
- 7-And it was based on superior horizon and insight,
- 8-Thus he condescended about himself and came closer to it enter to handle it,
- 9-Then two concept of measure base on two scale was approaching (in scale of Satan destination that the messenger is approaching to death and in scale of the word of the god about truth that the messenger is our savior the Christ)
- 10-then the god made afflatus to his obedient what he inspirit by the secret noticeable signs,
- 11-The elicited mind could not reject what he saw,
- 12-Do you quarrel him base on what he see?
- 13-And truly, he saw another meaning in arrangement (of the word of the god).
- 14-The true mean (of the god) that its mean understanding was deal with improvident,
- 15-Its true mean was domiciled in a latent encasement,
- 16-When improvident reading covers somewhat covers,
- 17-what deviate the insight and what cause the outbreak,
- 18-Definitly he saw the greater noticeable signs of his god.
- 19-Did you see the trivialize, incaution, evasion (the god messenger), and the endearment (the Satan),

20-And vagary about gossips, the discrimination of their right in another destiny (in the Satan destination).

21-Does it for you the maleness and for him the femaleness?

22-Then it is injustice-dividing quota,

23-This is not unless identifications that you and your bringers up identified what this deity (the Antichrist) stabilized for it the reason, therefore you follow only the suspicions and what is your wishes, and definitely came to them the conduction from their bringer up.

24-Or there is for human what he wishes or lies?

25-Thus for this deity (Antichrist) is another matter and primer times.(in premier time somewhat exist that opposites with the plan that he is named as the god)

26-And so much people in consolidated patterns that their interference is not affective anything unless this deity (Antichrist) allows to someone that he wants and satisfies.

27-Truly, those who attribute identification of femaleness to ones who are at center of world messengering do not believe another truth.(only they believe the Antichrist-Satan destiny as reality)

28-And they have not any knowledge about it but they follow the suspicion and truly the suspicion is not like truth.

29-Then you shirk someone who shirks of our mention and do not want unless be alive in unworthy destination (the Satan destination).

30-This is the amount of knowledge that they have received. Definitely, your god is wise about who is lost about his way and he is wise about conducted ones,

31-Whatever is in the signified templates and whatever is in the alignment and arranging the noticeable signs who seems merit and right belongs to the god to punish someone who does bad base on what they do and give reward to someone who does beneficiary works.

32-Those who avoid the great sins except in craziness and furious emotions that your god forgiveness, arraying well, and amending is widespread. He is sage about you when he is designing the arranged noticeable signs for you and

when you are covered and blind in your intend (toward your target in the Satan destination), then, make not yourself good looking, he is sage to self-containing people.

33-Did you see one who shirked?

34-And donated a little and stopped it?

35-Somewhat is his insight is the foreknow?

36-Or did not hear about somewhat in texts written by someone who is base of messengers models?

37-And the one who his word is sting to fancy lovers when did completely his messengering?

38-Now, nobody bears the burden of another true destiny that is the truth,

39-And so that, there is not for human being unless he makes pretexts and assemble the lies.

40-And so that, soon he will see his trying,

41-After that he will receive his award completely,

42-And so that, the getting concept and leading is based on your raising,

43-And so that, it is somewhat that makes clear and chants,

44-And so that, it is somewhat that makes death and makes alive,

45-And so that, it is somewhat that makes paint cover of maleness and femaleness,

46-From A lie when fit to a sketch,

47-And so that, there is another raising (raising the sketch that the Antichrist is the god) based on it,

48-And so that, it is somewhat that makes full of joy and makes satisfaction,

49-And so that, it is raiser of applying secret signs,

50-And so that, it was somewhat that perished premier feasible destiny, love to and encouragement to becoming.

51-and the suckers of victim then preserved them.

52-And the people who made the standing up of the resemblance because of their welcome to (new design of the Satan destiny) were more cruel and more raging.

53-And the artificial lies fascinated,

54-And covered it somewhat covered,

55-You deny which of your managed raising up?

56-This is a warning from ancient time,

57-The final event approaching (to end of time and its events) is approached.

58-there is not solution for it unless the god.

59-Do you surprised about this word?

60-And you smile and you do not cry?(because in the end time all of the people are deniers of the god)

61-And you are engrossed in playing, (you are going on playing base on rules of the destiny game of the Satan),

62-Then, you have to surrender your heart to the god and obey him.
