

1-It has been approached the negligent browsing and has been brightened the overcoming. (Overcoming the plan of Antichrist for been as the god).

2-And if they see a noticeable sign they shirk and say this is a passing magic destiny.

3-And they rejected and follow their wishes and so whole of stabled precept.

4-And truly seemed merit for them our news, what they fell torment about it.

5-The adequate wisdom teach, but awareness was not effective.

6-Then you shirk them the day that the inventor invents to flagrancy necessitation.

7-their view is submissive, they by their phonate exhibit like as they are again exonerated.

8-Calm and obedience behavior go toward the inventor order, the god deniers say this coordinated cue made ineluctable position for us.

9-The people of the messenger who when was speaking they were sad, their welcoming caused to reject our obedient and they said he is crazy and stopped him with torment.

10-Then he called his god and said I am the beaten, and then please help me.

11-Thus, we revealed the subjects of the signified plan with torrid substance of concept.

12-And we gushed some insights of well-formed noticeable signs then the substance of concept and meaning exhibited the measured precept.

13-And we took on him base on appearing and pushing and advance forward.

14-It progressed base on our insights a reward for one who was denied and was hidden.

15-and indeed we rest it as the noticeable sign. Then there is anyone who be mentioned?

16-And what about my torment and warnings?

17-And truly we made easy the alignment the signs and adjusting to extract the truth, then there is anyone who be mentioned?

18-The immolators of the victim for all, rejected the god word, and what about my torment and warnings?

19-We send against them the concept sense that was gathered (from news of holy books and the religious narrations) in the continuous infelicitous coordinated cue.

20-The people were resembled like, they are the uncompleted personality in an inverted manner of ornate.

21-And then what about my torment and warnings?

22-And truly we made easy the alignment the signs and adjusting to extract the truth, then there is anyone who be mentioned?

23-The sucking people who sucks the last sprit of victim rejected the warnings.

24-And they said do we follow a unique human who is like us? Then at this moment, we lose our way and torment will spreads and extends to us.

25-Did inducted him the mention of the god in the frame that is more important and more prior to us? Nevertheless, he is a liar and he is a self-affected man.

26-Soon they see who is the liar self-affected.

27-We are the sender of messages in excellent superior translation for test of them in their mental overwhelming, and then you observe them with patience.

28-And inform them that the substance of concept that is as their fate lead is all under competition (competed by Antichrist that always Alters the concepts is sending by the Christ the messenger).

29-Then they recognized their along speaker (that is as the messenger the Christ in receiving the substance concept of messages of the god in holy books that is read by the Christ), then he (the Antichrist-the Satan) interfered unjustifiable in their minds and wasted it.

30-And then what about my torment and warnings?

31-We send against them a unique clarification and brighten of the god word, and then they were like broken characters that are surrounded and inhibited.

32-And truly we made easy the alignment the signs and adjusting to extract the truth, then there is anyone who be mentioned?

33-The people, whom attached unjust connection to messengering, rejected the warnings.

34-We send them a fend off factor (fend off the Antichrist torment) except the messenger family that also we saved them in head and outset of adventure.

35-A gift from us for someone who promoted our word.

36-Truly, he warned them about our capturing and they quarreled with warnings.

37-And definitely they were eager to what was attached to him, then we made blind their sights, then taste you my torment and warnings.

38-He(the Antichrist) brightened for them base on new crazy method a stabilized torment.

39-then taste you my torment and warnings.

40-And truly we made easy the alignment the signs and adjusting to extract the truth, then there is anyone who be mentioned?

41- Definitely seemed merit the warnings for the related persons to one who was the base of honor and beauty destiny.

42-they denied our noticeable signs totally, then we captured them the forceful puissant capture.

43-Are the deniers of the god from you better than these people for you? Or there is absolution for you in the holy books and in the religious narration?

44-Or they say we are all together and we are succored.

45-Soon all together will scape and they will steer their goals.

46-The apathy, inobservance, latitude is their due date, the inobservance that is darker and more bitter,

47-Definitely the culpable people will be in lost and will behaved according the rules of the destiny.

48-The day that they will be dragged to sign and sentence base on their forms, hey taste the wonder lies.

49-We created everything in measurement,

50-And there is not our precept unless unique in every glow of concept in mind(every the moment teaching of the Christ is like a glow of concept about precept of the god that thousands of these glow to mind in years makes the unique precept of the god.)

51-definitely we vanished your resemblance. Then is there one who be mentioned?

52-and everything they did, there it is in the holy books and religious narrations,

53-And all though little or great is written,

54-The self-containers are in the encasement and flows of lights.

55-At sitting for right, for the point and view of the puissant king of the existence.
